**Education**

- 1993 **Doctor of Science** - *Tulane University School of Public Health and Tropical Medicine*, Department of Environmental Health, New Orleans, LA. *Dissertation Topic: "Use of a Decision Analysis Technique for Determining Criteria for Lead Reduction in a Multimedia Environment"*
- 1989 **Master of Science in Public Health**, *Tulane University School of Public Health and Tropical Medicine*, Department of Environmental Health, New Orleans, LA. *Dissertation Topic: "Review on the Toxicity of Trinitrotoluene (TNT) and its Byproducts in Compost and Contaminated Soils"*
- 1989 **Master of Public Health**, *Tulane University School of Public Health and Tropical Medicine*, Department of Health and Systems Management, New Orleans, LA.
- 1982 **Doctor of Medicine**, University of Yucatán School of Medicine. Mérida, Yucatán, México.

**Appointments**

- 2024- present **Professor** (tenured), Texas A&M University School of Public Health, Department of Environmental and Occupational Health, College Station, TX.
- 2013-2024 **Associate Professor** (tenured), Texas A&M University School of Public Health, Department of Environmental and Occupational Health, College Station, TX.
- 2007-2013 **Assistant Professor** (tenure-track), Texas A&M University School of Public Health, Department of Environmental and Occupational Health, College Station, TX.
- 2005-2007 **Assistant Professor** (tenure-track), Medical College of Georgia School of Allied Health Sciences, Department of Health Informatics, Augusta, Georgia.
- 2004-2005 **Assistant Professor** (non-tenure-track), Texas A&M University School of Public Health, Department of Environmental and Occupational Health, College Station, TX.
- 2002-2004 **Senior Research Associate**, Texas A&M University School of Rural Public Health, Department of Environmental and Occupational Health, College Station, TX.
- 2001-2002 **Research Associate Scientist**, Texas A&M University, Department of Veterinary Physiology and Pharmacology, Center for Environmental and Rural Health, College Station, TX.
- 1999-2001 **Public Health Assessor**, Louisiana Department of Health & Hospitals, Environmental Epidemiology & Toxicology Section. New Orleans, LA.

- 1997-1998 **Consultant**, Honduras Ministry of Health.
- 1995-1997 **Visiting Research Professor**, University of Yucatán, Department of Genetics Regional Research Center, “Dr. Hideyo Noguchi.”
- 1994-1995 **Fellow**, Tulane University School of Public Health and Tropical Medicine, Department of Environmental Health Sciences, Environmental Health Training Program. New Orleans, LA.
- 1990-1991 **Academic Coordinator**, Master of Science in Environmental Health Program of the National Institute of Public Health and School of Public Health of Mexico.

### **HONORS/ AWARDS FELLOWSHIPS & HONORARY SOCIETIES**

- 2025-present Telehealth Institute, **Faculty Fellow**. Texas A&M University,
- 2020 ADVANCE National Center for Faculty Diversity and Development (NCFDD) **Faculty Success Fellow**, ADVANCE NCFDD, Texas A&M University.
- 2019-2022 National System of Researchers- **National Researcher Level II award**. National Council of Science and Technology (CONACYT), Mexico.
- 2016 **Children’s Environmental Health Excellence Award** of the Office of Children’s Health Protection at the United States Environmental Protection Agency.
- 2013- 2014 **Fellow**. The Association of State and Territorial Health Officials, Environmental Public Health Tracking Peer-to-Peer program. A program that offers selected fellows the opportunity to conduct environmental health pilot projects under the mentorship of CDC and ASTHO mentors.
- 2011 US-Mexico Border 2012 **Environmental Leadership Award** from the United States Environmental Protection Agency Office and the Texas Commission on Environmental Quality.
- 2009-2010 **Fellow**. CDC Environmental Public Health Leadership Institute.
- 2008-2009 **Fellow**. Environmental Public Health Tracking: Tracking Mentoring Fellowship Program. National Environmental Health Association
- 2005 **Fellow**, National Library of Medicine. Fellowship in Biomedical Informatics, Marine Biological Laboratory, Woods Hole, Massachusetts.
- 1995- **Member**, Delta Omega Honorary Society in Public Health, ETA Chapter, Tulane University, New Orleans, LA.
- 1991 **Doctoral Scholarship** from the National Council of Science and Technology (CONACYT), Mexico.
- 1987 **Master’s Scholarship** from the National Council of Science and Technology (CONACYT), Mexico.

### **PENDING RESEARCH SUPPORT**

Investigating the Effect of Vaping on Maternal Lung Health and Infant Birth Outcomes to Help People Quit Vaping. Submitted to NIH.

January 1, 2025, to December 31, 2030.

Role- Co-I.

\$2,350,971

Texas A&M Center for RG VERDES: Rio Grande Valley Environmental Rural Disparities Engagement and Solutions. Submitted to NIH

September 1, 2025, to August 31, 2030

Role: Co-I

\$7,329,279

Impact of Chronic Arsenic Exposure from Drinking Water on Male Infertility and Community Intervention in Comarca Lagunera, Mexico. Submitted to NIH.

Role: Co-I

September 1, 2025, to October 31, 2027

\$568,246

### **ONGOING RESEARCH SUPPORT (External funding)**

1. Center of Excellence in Hispanic Housing Studies, Texas A&M University. Housing and Urban Development.

Role: Co-PI

July 3, 2023- July 2, 2026

\$2,872,534

2. Community-driven Geospatial Approach to Improving Public Health Data Systems in Beaumont-Port Arthur, Texas. Robert Wood Johnson Foundation/National Academy of Sciences.

Role: PI

October/01/2023- Feb 29/2026

\$249,999

### **COMPLETED RESEARCH (External Funding)**

3. *Evaluating indoor air quality and risk assessment for children and adolescents diagnosed with asthma living in a low-income community.* DHHS-NIEHS-IHSF

Role: PI, Nov 2022-December 2023, \$10,605

4. *Safer Water Projects.* Methodist Healthcare Ministries of South Texas Inc.

Role: Co-I, May 2022- February 2024, \$1,500,000

5. *Improving Children's Environmental Health in Hidalgo County Head Start Centers.* North American Development Bank

Role: PI, June 2022- May 2023, \$86,000

6. *Community Pediatric Diabetes and Obesity Education and Intervention Pilot Project,* Knapp Community Care Foundation

Role: PI, 2019-2021, 370,666

7. *The Role of Maternal Diabetes & Obesity in Reproductive Health Outcomes*, Knapp Community Care Foundation  
Role: Co-PI, 2018-2021, \$349,640
8. *Pediatric Diabetes Capacity Building for Community Health Workers in Hidalgo County*. Tijerina Foundation  
Role: PI, 2019-2020, \$20,000
9. *Healthy South Texas, Asthma Program (Year 4), State of Texas*,  
Role: PI, 2019-2020, \$300,000
10. *Diabetes Screening for Adult Women*, Discover Foundation  
Role: PI, 2019-2021, \$30,000
11. *Healthy South Texas, Asthma Program (Year 3), State of Texas*,  
Role: PI, 2018-2019, \$200,000
12. *Health Outcomes of Water Insecurity in Urban Mexico: A Pilot Project*, Conacyt-TAMU  
Role: PI, 2018-2019, \$24,000
13. *Working on capacity building to improve Children's Environmental Health*, Environmental Protection Agency  
Role: PI, 2018-2019, \$49,000
14. *Healthy South Texas, Asthma Program (Year 2), State of Texas*,  
Role: PI, 2016-2017, \$200,000
15. *Community-Based Pediatric Asthma Education and Intervention Program Administration for Community Living*, Knapp Community Care Foundation  
Role: PI, 2015-2017, \$374,042
16. *Healthy South Texas, Asthma Program (Year 1), State of Texas*  
Role: PI, April-August 2016, \$100,000
17. *Planning Model for a Texas/Mexico Border Information Exchange Program*, Border Environmental Cooperation Commission, and the Environmental Protection Agency  
Role: PI, 2014-2015, \$29,875
18. *Integrated Educational Interventions for Asthma Management in South Texas- Year 4*, Texas Department of Health and Human Services, Texas Asthma Control Program  
Role: PI, 2013-2014, \$31,182
19. *Integrated Environmental Indoor Management using Healthy Homes and Asthma Education*, Environmental Protection Agency  
Role: PI, 2012-2013, \$50,000
20. *Asthma Education to Improve the Quality of Life of Children with Asthma*, Texas Department of

Health and Human Services, Texas Asthma Control Program  
Role: PI, 2013-2014, \$31,182

21. *Multidisciplinary Approach to Educate and Train Engineering and Science Students on Air Pollution Issues of the US-Mexico Border*, Environmental Protection Agency  
Role: Co-I, 2008-2013, \$625,000
22. *Integrated Educational Interventions for Asthma Management in South Texas* (Year 3) Texas Department of Health and Human Service, Texas Asthma Control Program  
Role: PI, 2011-2012, \$35,000
23. *Development of an Environmental/Epidemiological Database in the Texas-Mexico Border*, Border Environment Cooperation Commission (BECC), and the Environmental Protection Agency  
Role: PI, 2012-2013, \$50,000
24. *Environmental Asthma Education in Hidalgo County*, Texas Department of Health and Human Services, Texas Asthma Control Program  
Role: PI, 2011-2012, \$3,605
25. *Integrated Educational Interventions for Asthma Management in South Texas* (Year 2) Texas Department of Health and Human Services, Texas Asthma Control Program  
Role: PI, 2009-2010, \$50,000
26. *Environmental Education in Asthma and Pesticides in the US-Mexico Border*, Environmental Protection Agency and the Border Environment Cooperation Commission (EPA/BECC)  
Role: PI 2009-2011, \$50,000
27. *Integrated Educational Interventions for Asthma Management in South Texas* (Year 1), Texas Department of Health and Human Services, Texas Asthma Control Program  
Role: PI, Feb 2010- August 2011, \$75,000

#### **COMPLETED RESEARCH (Internal Funding)**

28. Benefits of AI-Generated Content in Interactive Books. Teaching Excellence Grant  
Role: PI  
July 9, 2024, to August 31, 2025.  
\$2,880
29. *Characterizing the Health Impacts of Vaping on College Students*  
TAMU Health Science Center  
Role: PI, June 2023- May 2024, \$92,050
30. *Association between children's asthma and indoor air pollution in homes in low-income communities in South Texas: A pilot study*, NIEHS P30 ES029067. Texas A&M Center for Environmental Research Integrative Health Sciences Facility Core (IHSF). Subcontract:  
Role: PI, 2019-2020, \$10,000
31. *Hospital asthma discharges and their relationship with hazardous air pollutants* Global Institute

for Hispanic Health, Driscoll Children's Hospital and Texas A&M University  
Role: PI, 2018-2020, \$25,000

32. *Pilot project to characterize pollutant exposure by monitoring amounts and types of traffic in the area.* Texas A&M Health Science Center, Texas A&M Transportation Institute, and Johns Hopkins University  
Role: Co-I, 2015-2016, \$120,000

33. *Home safety assessment in the Lower Rio Grande Valley: A pilot study,* Texas A&M Health Sciences Center  
Role: PI, April 2011- October 2011, \$2,613

### **COMPLETED FUNDING Public Health Infrastructure**

34. *Develop an undergraduate Public Health course,* ATPM/CDC Cooperative Agreement Innovations in Public Health Education Program  
Role: PI, 2006- 2007, \$6,000

### **PEER-REVIEWED JOURNAL PUBLICATIONS**

\*Student. \*\*Doctoral student ^Carrillo G First/Senior Author/Corresponding Author, #Mexico student, not mine.

### **Research**

*My research began when I moved to McAllen in 2007 and focused on the US-Mexico Border. I began working with EPA due to the high number of hospitalizations in the area, received seed funding through TDSHS, and gathered many non-academic collaborators. My work has been instrumental in improving children's asthma in the region (92.6% Hispanic population and 28.8% in poverty), where most of the population (33.1%) lacks medical insurance. Thus, it was challenging to access hospitalizations, as most patients went to the ER for asthma attacks. As part of my scholarly work, I have expanded into other research topics critical to the region, including diabetes and water quality. I have worked diligently to strengthen my international research collaboration network.*

### **Submitted**

74. Acosta-Enriquez ME, Mendez-Dominguez NI, Moran-Martinez J, Ramos V, **Carrillo G**. Results from an educational intervention on vaping and smoking and their effects on health for undergraduate students in Mexico. Submitted to BMC Public Health.

73. Luna P, Yudkin J, **Carrillo G**. Benefits of AI-generated Content in Interactive Books in Higher Education. Submitted to Research in Learning Technology.

72. Results from an Educational Intervention on Vaping and Its Effects on Health for Undergraduate Students in Mexico. Acosta-Enríquez ME, Méndez-Domínguez N, Morán-Martínez J, Ramos V, **Carrillo G**. Submitted to BMC Public Health.

71. Obeng A, Roh T, Moreno Rangel A, **Carrillo G**. Evaluating the Effectiveness of Combined Indoor Air Quality Management and Asthma Education on Indoor Air Quality and Asthma Control in Adults. Submitted to Atmosphere.

#### **JOURNAL EDITORIAL BOARD ACTIVITIES**

2018-Present      **Associate Editor.** *BMC Public Health*

2018-Present      **Executive Editor.** *Journal of Environmental Research*

#### **TEACHING EXPERIENCE (directed studies not listed)**

Undergraduate Courses Taught:

PHLT 307 Public Health in Global Context – Large lecture asynchronous online format. (2023-present)

(All semesters from 2023-present)

The course provides the framework for understanding public health issues and population health improvement on a global scale. Students will analyze current and emerging global health priorities, such as emerging infectious and chronic diseases, health systems reform, cultural competence, human rights and ethics in global health, global health science and technological innovation, and global health institutions and partnerships.

PHLT 330 Environment and Public Health- Lecture

(Summer 2018, Summer 2021, Summer 2022)

This public health core knowledge course addresses factors that pose risks and hazards to population health in the environment and in specific contexts such as homes, workplaces, consumer products, and in natural and man-made disasters.

PHLT 445 Applications of Public Health

(Spring and Fall 2021, Spring and Fall 2022)

This course combines students' knowledge and skills related to public health experience and coursework to address public health issues. Students will develop, implement, and evaluate public health interventions in groups. As working in and leading groups is essential for public health careers, students can fill different group roles throughout the semester.

**Graduate Teaching Courses**

PHEO 613 Introduction to Environmental Health Disparities – Asynchronous online format

Fall 2017-present

The course will review the history and politics of environmental justice movements in the US and other parts of the world, focusing on the methods and materials used to study environmental racism, environmental risk, and sustainable development. Further, the course presents empirical evidence on distributions of environmental quality and health, enforcement of regulations, access to the resources needed to respond to urban, rural, and industrial problems, and the broader political economy of decision-making around environmental and health issues.

PHEO 612 Global Environmental Health- Asynchronous online format

(Spring 2012-present)

This course addresses environmental problems including, but not limited to, air pollution, climate change, and safe drinking water. Maintaining a healthy environment is central to increasing quality of life and extending healthy lifespans.

PHEO 600 Principles of Occupational and Environmental Health (McAllen class)

(Spring 2016)

This course provides participants with a broad overview of environmental and occupational health challenges and the intervention efforts designed to mitigate them.

PHEO 612 International Environmental Health- Asynchronous online format

(Spring 2010-2012)

This course was a previous version of PHEO 612.

***Medical College of Georgia- Graduate***

IMPH 8700 Introduction to Environmental Health, Asynchronous online.

(Spring 2005 - 2007)

The purpose of this course was to describe different topics in environmental health sciences, to analyze and evaluate significant environmental health hazards that create a risk to human health, to discuss the importance of the environmental health field in emergency response, and to learn about federal and state regulatory programs related to environmental health issues.

IMPH 8600 Health Promotion,

(Fall 2005, 2006, and 2007)

Outline the contributions of social and behavioral science theory to the planning and implementing of Primary Health Care programs. Apply relevant social and behavioral theories to diagnose and understand the individual, social network, organizational, community, and policy-

maker behaviors associated with planning, implementing, evaluating, and maintaining community-based primary health care programs.

HIM 199 Introduction to Public Health,  
(Fall 2006 and 2007)

The course provided students with unique access to and the opportunity to gain a deeper understanding of the health issues of current and emerging global populations including child immunization, risk communication, avian influenza, and managing information in the 21<sup>st</sup> century.

PAD 5050 Cultural Competence and Medical Spanish, Department of Physician Assistant;  
(Spring 2005 - 2007)

This course explored how race and ethnicity affect health, healthcare, and policies governing healthcare service delivery. It provided an opportunity for students to gain a deeper understanding of what it means to create environments (social and other) that contribute to the improvement of individual and community health.

**National Institute of Public Health, Mexico City**

Basic Principles of Toxicology, the National Institute of Public Health, School of Public Health, Mexico, DF. (graduate).  
(Fall 1990)

This course covered the basic principles of toxicology, including dose-response relationships, how chemicals enter the body and metabolize and excrete, significant health outcomes of intoxications, basics of physiology, toxicokinetics, and cellular toxicology.

**INVITED INTERNAL GUEST LECTURES:**

- ***PHEB 621 Foundations of Maternal and Child Health***, (graduate), 2014 to 2025, TAMU-SPH “*Asthma Research in South Texas.*”
- **NURS 4201** Community Health and Prevention (undergraduate), Spring and Fall from 2007-2012 University of Texas-Pan American Nursing Program. Edinburg, TX. “Asthma Curriculum and Current Research in South Texas”

Undergraduate Advising

2024-Present                      Mentored: Research, **Courtney Koehler.**

GRADUATED DOCTORAL STUDENTS

- Baek J, Dr.PH, **Chair**, graduated in 2021. “Environmental Factors and Hospital Utilization for Pediatric Asthma in South Texas: Air Pollution, Hospital Length of Stay, and Readmissions.
- Alexander Obeng Boakye- Dr.PH, graduated in 2025. EOH Department. Asthma and the Home Environment: Linking Population Surveillance with Targeted Interventions in Adults

**Graduate Advising**

***Chair Ongoing***

- Fall 2025- **Ongoing**

Galya Gonzalez- Dr.PH, anticipated graduation in 2027. EOH Department.

### **Member**

- Fall 2025- **Ongoing**

Nusrat Fahmida Trisha - Ph.D., anticipated graduation in 2027. Department of Epidemiology and Biostatistics.

### **Master Students**

#### **Graduated**

- Lalain Aquino graduated in May 2025—Department of Science and Technology (STJR) program, TAMU.
- Hunter Welch graduated in May 2025—Department of Biological and Agricultural Engineering, TAMU.

### **DEPARTMENTAL & UNIVERSITY SERVICE**

2024-	<b>Member</b> , School Promotion and Tenure Committee, School of Public Health, Texas A&M University, College Station, TX.
2024-	<b>Treasurer</b> , Delta Omega Chapter, Alpha Tau. School of Public Health.
2022- 2024	<b>Chair</b> , Delta Omega Chapter, Alpha Tau. School of Public Health.
2021-2024	<b>Member</b> , ADVANCE Workshop Committee, Texas A&M University, College Station, TX.
2020-present	<b>Member</b> , Committee on Academic Freedom, Responsibility, and Tenure (CAFRT). Texas A&M University, College Station, TX.
2016- 2022	<b>Member</b> . Alpha Tau Chapter of the Delta Omega Committee. Texas A&M University, College Station, TX.
2014-2020	<b>Member</b> , Faculty Development Leave Committee, elected Texas A&M University, College Station, TX.
2017-2019	<b>Co-Chair</b> . Faculty Council Executive Committee, School of Public Health, Texas A&M University, College Station, TX.
2018-2019	<b>Member</b> , LMS Sub-Committee, Texas A&M University, College Station, TX.
2017-2019	<b>Member</b> , Grievance Committee, Texas A&M University, College Station, TX.
2013- 2020	<b>Member</b> , DrPH Admission Committee, School of Public Health, Texas A&M University, College Station, TX.
2013-	<b>Member</b> , Promotion and Tenure Committee, Environmental and Occupational Health Department, School of Public Health, Texas A&M University, College Station, TX.
2004-2005	<b>Member</b> , Doctoral Task Force Committee, School of Rural Public Health, Texas A&M University, College Station, TX

- 2005-2007 **Chair.** Curriculum to go Committee of the Medical College of Georgia - School of Allied Health Sciences, Augusta, GA.
- 2005-2007 **Member,** Faculty Council Committee at Medical College of Georgia - School of Allied Health Sciences, Augusta, GA.
- 2005-2007 **Chair,** Faculty Council Committee, MCG Appointment, Development, Promotion, and Tenure Subcommittee at Medical College of Georgia - School of Allied Health Sciences, Augusta, GA.
- 2005-2007 **Member,** Medical Technology Program Advisory Committee at Medical College of Georgia - School of Allied Health Sciences, Augusta, GA.
- 1995-2016 **Member,** Eta Chapter of the Delta Omega Committee. Tulane University School of Public Health and Tropical Medicine, New Orleans, LA.

### **RESEARCH AFFILIATIONS**

- 2020-Current **Visiting Profesor,** Universidad de Montemorelos, Nuevo León, México.
- 2019-2022 **Faculty Research Affiliate,** *Center for Population Health and Aging,* School of Public Health, Texas A&M University, College Station, TX.
- 2007-2009 **Adjunct Professor,** Medical College of Georgia School of Allied Health Sciences, Department of Health Informatics, Augusta, Georgia.
- 2007-2009 **Adjunct Professor,** Medical College of Georgia School of Allied Health Sciences, Department of Physician Assistant, Augusta, Georgia.

### **CURRENT PROFESSIONAL ORGANIZATION MEMBERSHIPS**

American Public Health Association  
Academy of Health  
International Water Resource Association

### **PROFESSIONAL/OTHER ORGANIZATIONS/**

- 2023-present **Member,** Advisory Board Committee, Hidalgo Head Start Center. Hidalgo County.
- 2022-2024 **Member.** USEPA Board of Scientific Counselors at the Office of Research and Development, Office of Research and Development, Washington, DC.
- 2015-Present **Member.** US-Mexico Border Commission, Research Network Team.
- 2012-2022 **Co-Chair.** Environmental Education Committee, Gulf Task Force, US-Mexico, Border
- 2009-Present **Member.** Advisory Board, Chronic Disease Coalition, DSHS, Austin, TX.
- 2007-2012 **Member.** US Environmental Protection Agency Border Health 2012 (Gulf Group).
- 2018-Present **Member.** Lead Screening Advisory Group, Texas Department of State Health Services, Austin, TX.

2011-Present **Member.** Advisory Committee for the Respiratory Therapy Program, South Texas College, Dr. Ramiro R. Casso Nursing & Allied Health, McAllen, TX.
